GET A FREE [ESI]TRONIC LICENSE UPGRADE

WITH AN ELIGIBLE BOSCH KTS DIAGNOSTIC BUNDLE

As an exclusive distributor of Bosch Equipment, hsy is proud to bring workshops a limited-time Bosch promotion designed to unlock more capability from your diagnostic platform.

This March, invest in Bosch KTS and receive a FREE ESI[tronic] license upgrade. More functions. More coverage. More value for your workshop.

FREE [ESI]TRONIC LICENSE UPGRADE

Purchase a Bosch KTS 560 or KTS 590 diagnostic bundle with a qualifying 3-year ESI[tronic] license, register your details with Bosch and receive a Bosch voucher for a free software upgrade.

BUY A 3-YEAR DIAGNOSTIC LICENSE AND UPGRADE FREE TO ADVANCED

OR BUY A 3-YEAR ADVANCED LICENSE AND UPGRADE FREE TO MASTER

SEE OVERLEAF FOR PACKAGE AND LICENSE DETAILS

MORE SOFTWARE CAPABILITY. NO ADDITIONAL COST.

Modern vehicles demand deeper diagnostics, faster fault finding and access to the right technical information.

This promotion gives your workshop higher-tier ESI[tronic] functionality without the higher-tier price, helping you reduce diagnostic time and expand what you can confidently repair.

Order today through your local hsy branch.

SCAN TO REGISTER YOUR FREE UPGRADE

Secure your Bosch voucher and unlock your license upgrade today.

Hurry, offer must end March 31 2026
